Allowable Subject Matter

Claims 1, 3, 5, 7, 8, 10, 11 and 13 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest the use of an image sensing method wherein a camera corrects for motion and contains a record mode switching step of switching between a moving image recording mode and a still image recording mode; the moving image recording step of recording the moving image when the recording mode switching step switches to the moving image recording mode, and the adding step adds the read image signal to the delayed image signal delayed in the delaying step in accordance with a predetermined addition ratio based on the calculating result; Furthermore, the prior art does not teach or suggest the use of a still image record step based on the read image signal, and prohibiting the adding step of adding the read image signal to the delayed image signal delayed in the delaying step.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
